### **Confucian Analects Assignment:**

*Use the Confucian Analects papers to answer the following questions on a SEPRATE sheet of notebook paper*

#### **CONFUCIAN ANALECTS ON CONFUCIUS AS TEACHER AND PERSON**

1. What qualities of Confucius do you think might have made him a good teacher?

2. Do you think he would still be considered a good teacher if he were alive today in our own society?

Why or why not?

3. What qualities do you think Confucius would look for in an educated person?

4. Was Confucius an egalitarian or an elitist?

5. What is Confucius' attitude toward life and toward himself?

#### **CONFUCIAN ANALECTS ON FILIAL PIETY AND HUMANNES**

1. What does Confucius mean by "filial piety?" How does the concept of filial piety give shape to the relations between parents and children and between rulers and subjects?

2. What assumptions does Confucius make about human nature when he says that one should lead the people through moral force rather than regulations and keep order among them through rites rather than punishments?

3. What is humaneness and why does Confucius consider it to be so important?

4. How would a government founded on Confucian principles compare to your own government?

5. Are Confucian principles relevant to the issues of practical life?
